Orders will be accepted at <https://catalog.usmint.gov> and at 1-800-USA-MINT (872-6468), while hearing- and speech-impaired customers with TTY equipment may order at 1-888-321-MINT. Information on shipping options is available at <https://www.catalog.usmint.gov/customer-service/shipping.html>.

Native American \$1 Coin rolls, bags, and boxes are also available for purchase through the United States Mint Product Enrollment Program. To learn more about this convenient ordering method, please review the FAQs at <https://catalog.usmint.gov/customer-service/faqs/>.

The 2016 Native American \$1 Coin commemorates the contributions of the Code Talkers from both World War I and World War II (1917-1945). The reverse (tails side) design features two helmets with the inscriptions “WWI” and “WWII,” and two feathers that form a “V,” symbolizing victory, unity, and the important role that these Code Talkers played. The design includes the required inscriptions “UNITED STATES OF AMERICA” and “\$1.”

The obverse (heads side) design retains the central figure of the “Sacagawea” design first produced in 2000 with the inscriptions “LIBERTY” and “IN GOD WE TRUST.”

Note: To ensure that all members of the public have fair and equal access to United States Mint products, orders placed prior to the official on-sale date and time of Jan. 27, 2016, noon ET shall not be deemed accepted by the United States Mint and will not be honored.

About the United States Mint

The United States Mint was created by Congress in 1792 and became part of the Department of the Treasury in 1873. It is the Nation’s sole manufacturer of legal tender coinage and is responsible for producing circulating coinage for the Nation to conduct its trade and commerce. The United States Mint also produces numismatic products, including proof, uncirculated, and commemorative coins; Congressional Gold Medals; and silver and gold bullion coins. The United States Mint’s numismatic programs are self-sustaining and operate at no cost to taxpayers.
